

Committee Meeting
Point O' Woods Office

7/22/15

Acts of Nuisance, section 10, review

Attendance: Wayne Buchanan, Beth Kelly, Jennifer Reyes, Faith Weiss

Meeting called to order at 7:13PM to discuss review of Acts of Nuisance, section 10.

The committee discussed that the existing ordinance is not currently enforceable, current language states no bathing, swimming or fishing in 3 mile river which is not compliant with the state of Connecticut Public Trust Act.

It was discussed that the ordinance states nothing regarding fishing from any Point O' Woods property.

At the present time there is not much we can do to enforce it, we can rewrite it or ignore.

Committee recommends installing a ladder near the stairs in addition to life ring that has already been installed there.

Meeting adjourned at 8:45PM
