

The Point O'Woods Women's Club conference call meeting April 13, 2021 at 8:30 AM.

Those in attendance were: Sharon Szeszakow and Pat O'Neil, co-presidents; Karen Patria, recording secretary; Tina Lynch, corresponding secretary; Nancy Roser, co-treasurer.

A discussion commenced concerning the POW Women's Club financial situation. It has become impossible to order POW merchandise, fund the POW Women's activities and fund the landscaping in the common areas at the Beach.

The following two budget items were decided by consensus.

After a thorough review of our budget the POW Women's Board concluded that we can no longer fund landscaping in the islands and planters. A letter will be sent to the POW Board advising them of our decision. A letter will also be sent to the Old Lyme Nursery letting them know what has transpired and expressing our gratitude for their past beautification of the Point O' Woods community.

\$2500.00 will be used to purchase merchandise to be sold at POW.

A bench placed on the beach has been donated by the Lonerio and Spadorcia families in memory of Doreen Spadorica who enjoyed spending time at POW with family and friends.

The meeting adjourned at 9:40 AM.

Respectively submitted,

Karen Patria
Recording Secretary
